

## Card Access Administrator List

Last revised: November 2020

Next review: August 2021

Property Management Division, Ministry of Central Services

*This document should be used to find the Card Administrator for your location.*

As a security precaution, some government owned and leased buildings require security card access to enter. In order to get, change or cancel card access, a request needs to come from a Card Access Administrator. Find your Card Access Administrator(s) in the lists below.

**Please note:** The accuracy of the list below relies on ministries and organizations notifying Central Services if there is a change in personnel or duties. Please contact the Control Room at [controlroom@gov.sk.ca](mailto:controlroom@gov.sk.ca) if you have any changes to Card Access Administrators.

The list is divided by regions and sorted alphabetically by city and then property.
