

McAfee Home Use Program

Complete Protection for your
Employees Devices

McAfee LiveSafe

Top Benefits of McAfee® LiveSafe™:

- Easy-to-use security defends against viruses, ransomware, and other online threats
- Safe web browsing warns you about risky websites and helps prevent dangerous downloads and phishing attacks
- Firewall security helps keep hackers and malware from attacking your PC by blocking access to suspicious activity
- Eliminate the hassle of passwords, let the True Key™ app remember them for you
- Back up your most important photos and files with secure cloud storage
- 100% Guarantee: a McAfee expert will remove a virus, or your money back; additional terms apply.*

Award-Winning Antivirus

Blocks viruses, malware, ransomware, spyware, unwanted programs, and more on your PC.

Anti-Spam

Blocks dangerous messages before they reach your inbox by removing emails that may include risky links and viruses.

True Key™

Recognizes your face or fingerprint, secures your passwords, and instantly logs you in to your websites and apps across your devices.

Secure Cloud Storage

Helps you back up your most important family photos and files with 1GB of storage.

Parental Controls

Block web sites and search results you don't want your kids to see. Also lets you set limits for how much time they spend online.

Security Management Console

Helps you manage your protection for all your devices from an easy-to-use web page.

FREE Customer Support

Has you covered by phone, by chat, or online for the life of your subscription.

Virus Protection Pledge

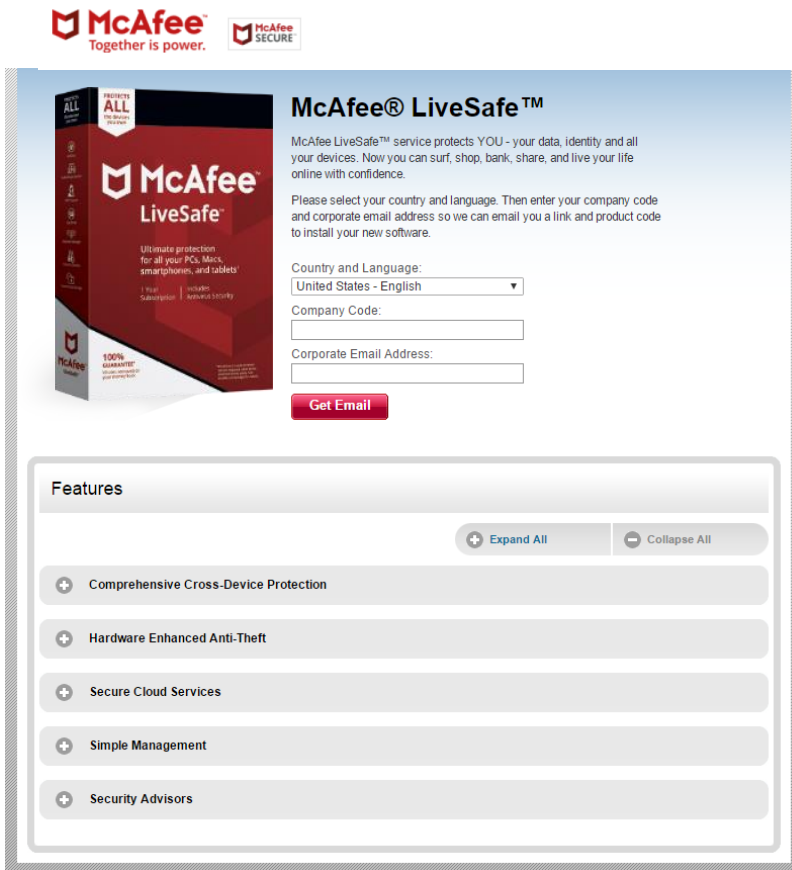

Provides you with the confidence that in the event your PC gets a virus, a McAfee expert will remotely access your computer to remove it. If we cannot, we will offer a refund. Requires enrollment in auto-renewal service; additional terms apply.*

McAfee Home Use End User Instruction Guide

End-User Experience Flow

- Go to www.mcafee.com/wfh
- Select your Country/Language
- Enter in Company Code: **COR754C85F**

This Home Use Program – Work from Home Initiative expires on May 31, 2020

The screenshot displays the McAfee LiveSafe product page. At the top left, the McAfee logo is accompanied by the tagline "Together is power." and the "McAfee SECURE" logo. The main content area features a 3D rendering of the McAfee LiveSafe software box on the left. The box is red and white, with the McAfee logo and "LiveSafe" text. It also includes the text "Ultimate protection for all your PCs, Macs, smartphones, and tablets!" and "100% GUARANTEE". To the right of the box, the heading "McAfee® LiveSafe™" is followed by a paragraph: "McAfee LiveSafe™ service protects YOU - your data, identity and all your devices. Now you can surf, shop, bank, share, and live your life online with confidence." Below this is a form with the following fields: "Country and Language:" with a dropdown menu showing "United States - English", "Company Code:" with a text input field, and "Corporate Email Address:" with a text input field. A red "Get Email" button is positioned below the form. At the bottom of the page, there is a "Features" section with a toggle for "Expand All" and "Collapse All". The features listed are: "Comprehensive Cross-Device Protection", "Hardware Enhanced Anti-Theft", "Secure Cloud Services", "Simple Management", and "Security Advisors".

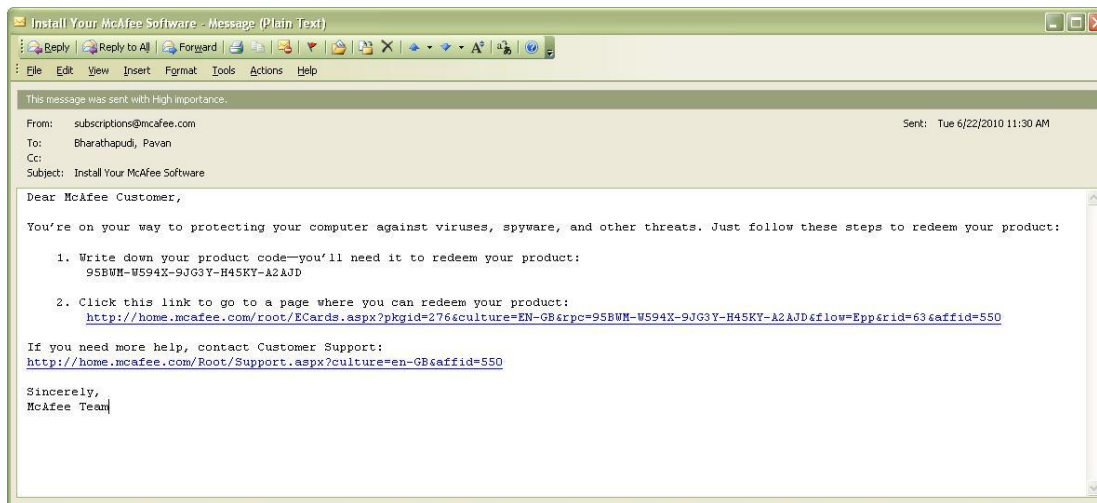

End-User Experience Flow

- You will receive a message on your screen that tells you your product code and download link has been sent to your email address

End-User Experience Flow

- Go to your corporate email account and look for an email from McAfee with your product code and download link
- Forward this email to your personal email address– you will download this product on your personal device and not on your corporate owned machine
- Click on the download link as shown in #2 below

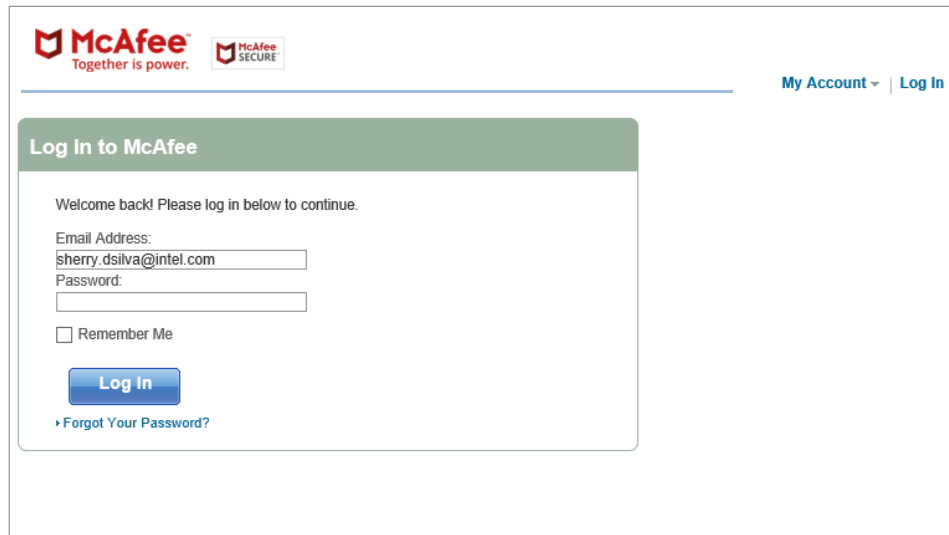

End-User Experience Flow

- Once you click on the download link you will be taken to this redemption page.
 - Your product key should auto populate. If it doesn't you can manually enter it in.
- Enter your Corporate email address in the space below
- Click "submit"

End-User Experience Flow

- You will be asked to log in to your existing McAfee account or create a new one
- Follow the prompts for either option.
 - If you already have an account and don't remember your password, you can click on "Forgot Your Password?" on the bottom of the blue "Log In" button

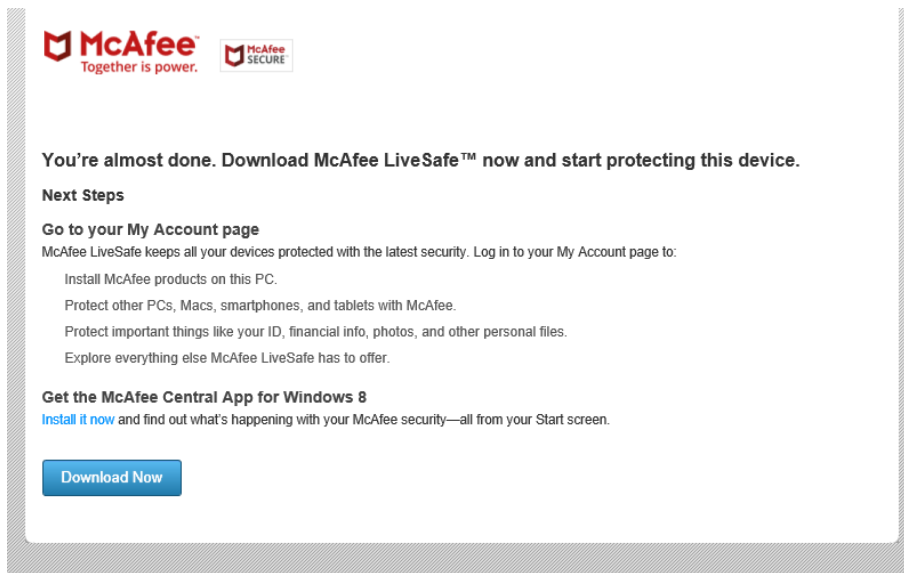

The screenshot shows the McAfee login interface. At the top left, the McAfee logo is displayed with the tagline "Together is power." and the McAfee SECURE logo. On the top right, there are links for "My Account" and "Log In". The main content area is titled "Log In to McAfee" and contains a welcome message: "Welcome back! Please log in below to continue." Below this, there are two input fields: "Email Address:" with the value "sherry.dsilva@intel.com" and "Password:". A "Remember Me" checkbox is located below the password field. A blue "Log In" button is positioned below the input fields, and a link for "Forgot Your Password?" is located at the bottom left of the login form.

End-User Experience Flow

- You will receive “Download Now” prompt on your screen.
- Click on the “Download Now” button to start downloading the product

*** Note, do not download this product on your corporate device. This is for your home PC, MAC, Smartphone and Tablets only*

Award Winning McAfee Consumer Support Included

For Support go to: <https://service.mcafee.com>

The screenshot shows the McAfee Consumer Support website. At the top left is the McAfee logo with the tagline "Together is power." To the right of the logo are navigation links: PRODUCTS, RENEWALS, SUPPORT, FREE TRIAL, and a red "BUY NOW" button with a shopping cart icon. Below this is a grey navigation bar with "Consumer Support" on the left and "Community" and "Contact Support" on the right. The main content area features the heading "Get help with" followed by five categories, each with an icon and text: "PC" (laptop icon), "Mac" (desktop monitor icon), "Mobile & Tablet" (two smartphones icon), "Account or Billing" (calculator and document icon), and "Identity Theft Protection" (person icon with a lock). A vertical "Feedback" button is located on the right side of the content area.
